What a blessed year this has been for me and Southern Bible Institute & College. For me, it has been an exhilarating time of entry into the role of President. The Lord has placed me before wonderful people who've not only been encouraging, but excited about what lies ahead for SBIC.

For the College, doors are being opened and opportunities offered for our students, faculty, and constituency as never before. As we look at this past year in review and examine the year ahead that’s now in view, I am all the more confident that God has His hand firmly on us. Although it has become cliché it remains true to our story that best is yet to come!
Reaffirmation of our

Our Mission

Equipping men and women to be competent servant leaders with a Bible-centered worldview.
Statistics (by the Numbers)

- **Unduplicated Headcount**: 62

- Master’s Degree
Increase of cash-on-hand from June 2021 to its peak in January 2022

389%
This fiscal year officially began the tenure of Dr. Terrance A. Ford as President & CEO of Southern Bible Institute & College.

The fall semester marked the first time SBIC students returned to in-person classes since the pandemic shutdown in March 2020.
The inauguration set new standards of excellence with the each of its events—beginning with the intimate private reception, to the inspiring investiture service, culminating with an elegant luncheon.

Inauguration Events

This year a new revenue stream and means to invigorate college pride emerged. The Spirit Store softly launched at the beginning of the spring semester and was in fully inventoried for the year-end celebration.

Spirit Store Debut

Befitting, this year ended with a celebration of SBIC’s ninety-five uninterrupted years of educational ministry. Two distinguished alumni were honored as well as the Board of Directors.

95th Anniversary Celebration
MILESTONES

Notable Mentions

Campus Improvements

- Inside Foyer Wall
- President’s Office
- Outside Painting/Landscaping

Technology Upgrades

- Increased Fiber Optics to Building
- WiFi Access Points Upgraded

- Fire Alarm System Replaced
Cultivated Relationships & Partnerships

- **Alumni Connection Sessions**
- **Pastors/Churches Network**
- **Articulation Agreements with Sister Colleges**
Year In View

Fiscal Year 2022 | 2023
Team Visit

October 25-27, 2002
This program helps equip more traditional students 18 - 25 (males and females), while growing our AA degree program. Students are mentored, less burdened financially, and better prepared for upper level college rigor after completing their first two years of college.

**Hyflex Distant Education**
This online course delivery model not only allows distant students to receive a quality and engaging SBIC education, but accommodates students with busy/fluctuating work/life schedules as well.
Center for Servant Leadership
The Center will promote and provide Bible-centered servant leadership efforts between the College, the community, and the local church. It serves to fulfill our commit to bridging academia and frontline hands-on ministry.

Church Planting & Revitalization Tracks
A reinvigoration of the Pastoral Ministry Leadership program will now include concentration options for church planting and church revitalization. These revisions are being enacted in cooperation with several church planting/revitalization organizations.

Title IV Funding Eligibility
Final training requirements for Title IV eligibility are underway. Plans for application submission and approval are anticipated to be fulfilled by fall 2024.
This project and team will focus on designing and establishing architectural layouts and plans for the entire 12 acre campus. The plans are to include considerations for academic & administration buildings, a grand lecture hall, library, student activity building, as well as potential revenue generating facilities.

Committee/Team Formations

1. Centennial Capital Campaign
   This fundraising campaign will be the successor to the current Jordan River Project initiative. The committee will oversee efforts to reach the financial goals set for funding new facilities, campus improvement, and the seeding of the SBIC Endowment fund by the time of SBIC's 100th anniversary.

2. Campus Footprint Project
   This project and team will focus on designing and establishing architectural layouts and plans for the entire 12 acre campus. The plans are to include considerations for academic & administration buildings, a grand lecture hall, library, student activity building, as well as potential revenue generating facilities.
